

i1 244

SWE 244 "Oceans Eleven" FOR SALE

Built by Precision Boat Works in USA 1995. Track record from numerous races though only carefully raced since 2003. Winner of Swedish Championships in 2001.

This pearl in plastic has not been used as frequently for racing as most other 11:MOD's, it shows when you look at the good condition of hull and rig! Must be seen more closely, please ask for further photos and it'll be displayed on the Internet.

- *Racing gear:*
Quantum kevlar main and jib with carbon fibres and dark film and Quantum spinnaker (all from 2000)
- *Training gear:*
Halsey kevlar main and jib with North Sails spinnaker
